Appeals against internal assessment decisions (centre assessed marks)

This procedure confirms Wolstanton High School Academy's compliance with JCQ's *General Regulations for Approved Centres 2017/18, section 5.8* that the centre has in place "a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates" and that the centre "must inform candidates of their centre assessed marks as a candidate is allowed to request a review of the centre's marking before marks are submitted to the awarding body."

Certain components of GCSE and GCE qualifications (GCSE controlled assessments, GCE coursework, GCE and GCSE non-examination assessments) that contribute to the final grade of the qualification are internally assessed (marked) by the subject teacher. The marks awarded (the internal assessment decisions) are then submitted by the deadline set by the awarding body for external moderation.

Wolstanton High School Academy is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skills, and who have been trained in this activity. Wolstanton High School Academy is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of his/her work, or that the assessor has not properly applied the mark scheme to his/her marking, then he/she may make use of this appeals procedure to consider whether to request a review of the centre's marking.

1. Wolstanton High School Academy will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body.
2. Wolstanton High School Academy will inform candidates that they may request copies of materials to assist them in considering whether to request a review of the centre's marking of the assessment.
3. Wolstanton High School will, having received a request for copies of materials, promptly make them available to the candidate.
4. Wolstanton High School will provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision.

5. Requests for reviews of marking **must** be made in writing.
6. Wolstanton High School Academy will allow sufficient time for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline.
7. Wolstanton High School Academy will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of the candidate and has no personal interest in the review.
8. Wolstanton High School Academy will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
9. The candidate will be informed in writing of the outcome of the review of the centre's marking.
10. The outcome of the review of the centre's marking will be made known to the head of centre and will be logged. A written record will be kept and made available to the awarding body upon request. Should the review of the centre's marking bring any irregularity in procedures to light, the awarding body will be informed immediately.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. This process is out of control of Wolstanton High School Academy and is not covered by this procedure.

Appeals procedure against centre decisions not to support an enquiry about results

Following the issue of results, the general qualification awarding bodies offer post-results services. Full details of these services, internal deadlines for requesting a service and fees charged will be provided by the exams officer.

The service, *enquiries about results* (EARs), may be requested by centre staff or candidates (or their parents/carers) if there are reasonable grounds for believing there has been an error in marking.

If a query is raised about a particular examination result, the exams officer, teaching staff and head of centre will investigate the feasibility of requesting an enquiry at the centre's expense.

When Wolstanton High School does not uphold a request from a candidate, the candidate may pay the appropriate fee, and a request will be made to the awarding body on the candidate's behalf.

If the candidate (or their parent/carer) believes there are grounds to appeal against the centre's decision not to support an enquiry, an appeal can be submitted to the centre using

the internal appeals form at least one week prior to the internal deadline for submitting an EAR.

Appeals procedure following the outcome of an enquiry about results

Where the head of centre remains dissatisfied after receiving the outcome of an EARs, an appeal will be made to the awarding body, following the guidance in the JCQ publications *Post-results services* <http://www.jcq.org.uk/exams-office/post-results-services> and *A guide to the awarding bodies' appeals processes* <http://www.jcq.org.uk/exams-office/appeals>. Where the head of centre is satisfied after receiving the outcome of an EAR, but the internal candidates and/or their parents/carers are not satisfied, they may make a further representation to the head of centre. Following this, the head of centre's decision as to whether to proceed with an appeal will be based upon the centre's internal appeals arrangements. Candidates, parents/carers are not permitted to make direct representations to an awarding body.

The **internal appeals form** should be completed and submitted to the centre within **10 calendar days** of the notification of the outcome of the enquiry. Subject to the head of centre's decision, this will allow the centre to process the appeal and submit to the awarding body within the required 14 calendar days. Awarding body fees which may be charged for the appeal must be paid by the appellant on submission on the internal appeals form. If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.
