Dear parents and carers

Re: Behaviour System Update

As part of our continued drive to improve behaviour, communication and relationships, we would like to make you aware of our new 'Restore' sessions which will be taking place every Wednesday after school for one hour and will replace all after school 'Red' detentions.

The purpose of the Restore sessions is to enable staff and students to sit and discuss the issues which may have arisen, agree a way forward and therefore impact positively on both behaviour and relationships.

You will receive a text message if your child receives a Restore session to which you are very welcome to attend. If you would like to attend, please contact school either on the phone number or email shown in the text message.

All children receiving a Restore appointment will be expected to remain for the whole hour and therefore we ask that parents avoid making appointments on Wednesday afternoons (2.45pm – 3.45pm).

Please see the flow chart below which explains our behaviour system in school.

I would like to take this opportunity to thank you for your continued support.

Yours sincerely

Mr D. Moore
Deputy Head
